## CITY COUNCIL PUBLIC HEARING NOTICE

Dear Resident or Property Owner:

Thank you for participating and responding to the parking surveys mailed to surrounding residents and property owners in November 2014 and January 2015 regarding requested parking restriction changes on 18<sup>th</sup> Avenue between Park Road and E 89<sup>th</sup> Street. Based on the responses and the Bloomington Public On-Street Parking Policy, Staff made no changes to the current parking regulations (as stated in the March 24, 2015 letter.)

The City of Bloomington has received an appeal from a property owner regarding this decision and the item will now be heard by the City Council. The history of this item, including the initial petition requesting a change, the resident surveys, responses and comments, and other actions taken to address concern, will be presented to the City Council. The resident appealing the decision will address the Council with their request and other residents will be able to comment on the request.

The City Council Public Hearing will be held on **Monday, May 4, 2015** in the Council Chambers of the Civic Plaza. The meeting begins at 7:00 PM and the item will begin sometime after 7:15. As the meeting date gets closer, feel free to check the City website for the meeting agenda or contact me for more information.

If you have any questions please feel free to contact me.

Sincerely,

Brian Hansen  
Engineering Technician - Traffic
